LETTERS TO THE LOUNGE

Send your letters to: The Editor, Club International, The Lounge Suite, PO Box 62671, London, EC1V9WE or email clubint@paulraymond.com. Best letter published every month gets £50

Dear Club,
I wonder if any of your readers know the answer to this question? Why do men want you to behave like a dirty slut, and when you actually do, they act surprised? I'm asking because this has happened to me a few times, most recently last Sunday night.

I was out in my local with my friend Grace who, like me, is always on the look out for some sexual excitement. With us both being currently single, we feel if we don't experiment now, then it will only be a lot more difficult later! So arriving back at Grace's with two guys from the pub seemed like the perfect opportunity.

We knew Carl and Phil from going to the pub regularly, and at one time or another I think Grace had snogged them both. However, as the chatting subsided, Grace began getting off with Phil, and Carl took it as his cue to make his move. As he kissed at my ear, telling me how fit I looked tonight, I felt like I'd been in this situation too many times before and was suddenly inspired to say, "Are you going to keep Phil all to yourself tonight?" Grace just giggled, whilst Phil grinned at Carl, who was looking a little hurt. I continued, "Oh come on Carl, surely you'd rather fuck Grace as well – I mean look at her nice round tits, I wouldn't mind sucking them myself."

The look on his face was one of pure astonishment, and a little fear! Phil, too, looked sheepishly in Grace's direction, who had instinctively started undoing his trousers. As I did the same to Carl, he managed to blurt out, "Is… er, is this a wind up or what?" Freeing his cock through the front of his boxers, I replied, "What do you think?"

Before he could even begin to answer, I clamped my lips around his bell-end, and inside my mouth began licking the tip of his cock with my tongue. Grace had a handful of prick also by now, and was wanking it slowly, whilst staring at Phil and circling her finger over her dark nipples. I could sense the guys looking at each other in disbelief as we went to work on their dicks, sucking on their balls almost simultaneously! Relaxing, Carl said, "Deep throat me!" to which I duly obliged. He then said, "I want two tongues!" Grace needed no second invitation and was next to me in a flash, feeding Carl's meat into my mouth, before pulling it into hers.

Pulling his trousers off and raising his knees meant that I could tongue beneath his balls at his arsehole whilst Grace gave him the most expert blowjob I have ever seen. I'm sure she was helped by the fact that, whilst she was leaning over his chest to get at his length, she now had Phil's cock deep in her pussy from behind.

GRAHAM'S CRACKERS!

Dear Club,
Loved your Globe Theatre recap of Heather Graham's finest moments on screen (*Club* 41/11). Is it me or does she simply not age? Also, is it me, or do those boobs look as good as they ever did? I won't pretend she makes good films – the only think I liked her in was *Boogie Nights* – but I rented that *Boogie Woogie* after you printed the pictures from it and wanked myself mental. She was the best thing in it, but the glimpse of Gemma Atkinson's tits were worth it as well. Any chance of more of her in *Club*?
Andrew, Barnes

Yep, Heather is timelessly horny and, as you rightly say, her rudest bits are usually in dreadful films. Boogie Woogie was a right load of tripe, but it's worth a rent like that film the All Saints were in, just for the reacharound potential. As for Gemma – if only. She seems to have gone quiet these days, but the second she airs those boobs again, we'll be there.

GRACY OF GOD!

Dear Club,
Blimey, where did Gracy come from? I buy a load of your mags, and I'm always on the internet, but I've not seen her before. She's the kind of girl you see at the other side of a cocktail bar and you know you've got no chance – she's got a bit of class about her, it has to be said. Get her back in *Club* ASAP.
Chris, Plymouth

Get Gracy back in Club? Will do. She was new on us too, and we loved the moody, sultry shots we got of her. She mentioned she was interested in some lesbian stuff as well, so let's see if we can make that happen…

Leaving Grace to finish him off, I clambered around to sit on Carl's face, all the time begging him to, "Suck at my pussy, now!" I then crouched, reversing my position, so I could feel his tongue and lips all over my pussy and bumhole. I was just in time to see him spray his wad straight into Grace's face, who was coming from the constant thrusts of Phil's cock and the good spanking he was giving her. Carl clamped his mouth over my pussy as he came wildly. I managed to get some spunk too, by leaning forward and tonguing some from his slick shaft and taking the final spurt over my cheek. Meanwhile, Phil was about to explode and took himself from inside Grace, allowing me to take him in my mouth, and his cream down my throat.

With my face covered in jizz, I then really shocked them by saying, "Now it's my turn to cum – and I'll need all of you to do it." And they thought all their fantasies had already come true!

For gash meet Ash...

This lovely *Club* first-timer rejoices in the name of 'Ash Hollywood', although we reckon that it wouldn't say that if you checked her ID. It'd be something like 'Ashley Weidenfeller' or something, which is why it was very wise of her to change up. You don't get very far in this life with clunky real names, which is why the editor is in the process of changing his name by deed poll to 'Captain Ace Balls', despite our pleading with him not to be so stupid... ♣

England Rugby Union Internationals Twickenham

November & December

The annual Six Nations championship is all well and good as a platform for home rivalries and for putting the French and Italians in their place, but let's face it – when it comes to rugby union the southern hemisphere is really where it's at.

New Zealand, Australia and South Africa are currently ranked numbers one, two and three in the world respectively, a trio of powerhouses at the top of the game and the teams everyone aspires to beat.

Across this series of Internationals England play them all plus Fiji (who are no slouches themselves) making up one heck of a winter for Stuart Lancaster's men. These 'friendlies' will provide the perfect test to see if his relatively inexperienced, improving side – currently ranked fourth in the world – can mix it with the very best in the business. Fascinating stuff for your average armchair rugby fan.

There were some encouraging signs back in the summer when England toured South Africa and were, for the most part, competitive over three hard-fought test matches, losing the first two by a narrow margin and drawing the final game in Port Elizabeth. But if these results are to be turned into victories against the top sides, England will have to cut out the errors that blighted the series against the Springboks whilst also finding some fluidity and genuine threat in attack.

The form of experienced fly-half (the bloke who kicks the ball between the posts) Toby Flood will be crucial, as will the leadership qualities of the likes of Chris Robshaw and Dan Cole.

Raw power and pace comes in the formidable shapes of Manu Tuilagi, famous for jumping off a ferry at the last Rugby World Cup and punching a fellow player last year, and Tom Croft, who to date we don't think has done either of these things.

One big problem for England is in the hooker position (the bloke who hooks the ball out of the scrum and gets attacks going), with the ferociously combative – he's been banned for gouging and biting in the past – Dylan Hartley currently sidelined with a fractured eye-socket and his natural replacement, Rob Webber, struggling for fitness.

At full-strength these games will provide a huge test for England - missing key players they'll really be up against it, but with the Twickenham crowd – posh, braying, stupid upturned collars, but very, very noisy – behind them Stuart Lancaster's rapidly improving team might easily spring an upset or two. Well, they should at least beat Fiji, right?

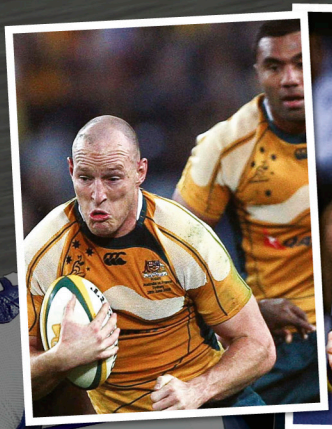
Tennis ATP Tour Finals

The 02 Arena

November 5th to 11th

Considering that it features the top eight men in the world rankings battling it out for on-court bragging rights, you might think that the ATP Tour Finals would be the most fiercely-fought and competitive tournament on the circuit. But with many players knackered after a long season and thoughts inevitably turning to enjoying a well-earned winter break, it hasn't always panned out that way in the past.

Last year, for example, Novak Djokovic arrived at The 02 Arena as world number one on the back of an incredible campaign that saw him win three Grand Slam tournaments and basically whip the ass of just about anyone who is anyone in the game.



Despite being hot favourite to lift the trophy, the Serbian hotshot was defeated by fellow countryman Janko Tipsarevic, a player who was only at the tournament because Andy Murray had pulled out with an injury. Rafael Nadal, the world number two, endured a similar humbling at the hands of solid Frenchman Jo Wilfred-Tsonga.

Indeed, the only safe bet at the ATP Tour Finals in recent times has been Roger Federer. The 'Fed Express' has won six of the last nine tournaments, demonstrating a canny knack for maintaining his peak whilst others are thinking about their holidays.

Saying that, it's unlikely that Federer will have it all his own way this time around, and one man whose eyes will be firmly focused on the prize is Andy Murray. Murray is a player who has come of age this year, and it all seemed to begin at Wimbledon when he stopped behaving like a robotic dick and showed some genuine emotion on Centre Court after defeat in the final by Roger Federer. Since then there's been no stopping the once Scottish now British star, with Grand Slam glory at the U.S. Open following a gold medal in the men's singles and a silver medal in the mixed doubles at the Olympic Games.

Murray will want to end an amazing season on a high in front of 17,500 partisan fans, and if he's got any energy left in the tank then he'll be the one to beat. Speaking of freshness, after several months out with a knee injury Rafael Nadal plans to return for this event. Might he be the dark horse?

Moto GP
Valencia Grand Prix
November 11th

"Top class motorbike racing with loads of crazy overtaking and ridiculous crashes"

Anyone who has bothered to watch Moto GP for more than five minutes will know how exciting it can be. For the uninitiated, this is top-class motorbike racing featuring loads of crazy overtaking and ridiculous crashes. Indeed, people who aren't thrilled by the balls-out action are generally thought to have ice running through their veins like Ivan Drago from Rocky IV – that cunt who killed Apollo Creed.

By usual Moto GP standards, however, the 2012 championship has so far been a bit of a boring old procession. Three riders – Spanish duo Jorge Lorenzo and Dani Pedrosa, and reigning champ Casey Stoner – have completely dominated proceedings, with Lorenzo having managed to edge out more wins than the other two to open up a commanding lead at the top of the standings by mid-season.

The Spaniard's championship cause was aided even further when an injury to Stoner in race 11 at Indianapolis took the Aussie out for three Grand Prix and out of title contention, leaving Lorenzo mostly happy to run a safe second to Pedrosa, keeping out of trouble to avoid crashes and protect his points advantage. Sensible, yes, but not great for the general racing spectacle.

Thankfully, the dynamic and unpredictable nature of Moto GP means that this season might well still have a thrilling finale in Valencia. If Pedrosa can close the gap between himself and Lorenzo down to below the 25 points awarded for a win (at the time of writing it stood at 33) then that will pile the pressure on Lorenzo to get around in one piece in front of a passionate home crowd.

This could be a highly eventful race for other reasons, too. In his last race before retirement, Moto GP legend Casey Stoner will be desperate to put on a show, and in his final ride for Ducati before switching to Yamaha next year, Valentino Rossi will no doubt be trying to wring every last bit of power from a bike that has severely underperformed for him this season. ♣

Eurobabes Know how to Fuck

(Private)

We're disappointed that Private have seemed to wave goodbye to the days of big budget extravangzas, and also that they haven't unearthed any huge stars since the days of Silvia Saint. That said, we can still eke out oa load to most of their DVD's, and this is no exception. Suzie Carina is model fit and porn star dirty, while Kristy Lust and Rihanna Samuel put in good work. There's a nice interracial scene, but the film is a touch grainy, and it's just a far cry from the glossy star-making Private of the past. ★★★

Caught in the act: Real Sex

(Adam & Eve)

'Real' porn is often just an excuse for shitty production values, and bandana-wearing losers ejaculating into their own belly button. This is only a notch or two higher, and while the action is at times shabby, it's helped by cute girls. Covergirl Khloe gets double dicked in the hottest scene, but it's Sasha who gets our load. She's natural, a bit of a ringer for Kiki Vidis, and the only downside is that her scene is vegetarian. This is a girl we'd like to see on the business end of a dick. Oh well, we can but live in hope...★★★

Interracial Encounters

(Adam & Eve)

Interracial in porn usually equates to 'black dick, white chick', but this fine film from Adam & Eve mixes it up a little more. We get black on Asian, white guy on black babe (the cute Misty Stone) and even Spanish dude on black honey (the also cute Jade Nacole). That said, the best scene by far is the one that does the oldest interracial coupling in the book: The huge cock of Lexington Steele being serviced by the increasingly fantastic Sarah Vandella. It's vanilla, it's for couples, but it works. ★★★★

Men Behaving Badly

(Fremantle Media Enterprises, DVD £34.99)

Men Behaving Badly was recently voted the best sitcom in the history of the BBC and while you may quibble with that, it has most definitely stood the test of time. Despite what seems like a tiresomely laddish set-up– Gary and Tony living together, talking about girls, sex, football and beer – the presence of the sharp Caroline Quentin as Gary's girlfriend and the charming Lesley Ash as the love object upstairs turn this into a classic battle of the sexes sitcom, and Martin Clunes' star-making performance holds it together.

This set brings together all six series, including the Harry Enfield-starring first, as well as various specials, Comic Relief sketches, a BBC Radio 4 documentary and more besides. It's a throwback to a time before the comedy of awkwardness took hold: a traditional sitcom that delivers characters and laughs in equal measure.

★★★★

Fremantle Media Enterprises have kindly given us 3 DVD box sets of Men Behaving Badly to give away. To win one, simply tell us what show Neil Morrissey starred in with Michael Elphick. Email clubint@paulraymond.com with your answer and details, or write to the Club address. Good luck!

Prometheus

(20th Century Fox, Blu-ray £14, DVD £9.99)

Critical reaction to *Prometheus* can be distilled to a giant 'meh', but the film isn't without merit. As good as *Alien* was, the sequels were always overrated, so it's not like this is the first duffer in the series. And Ridley Scott hasn't made a cracker since *Gladiator* in 2000. But visually this still has a lot going for it, and Michael Fassbender is worth the admission alone. Flawed and overambitious, but not terrible. ★★★

We Are The Night

(Momentum Pictures, DVD £10)

Opening with a brilliant, well-shot sequence on board a place, *We Are The Night* delivers more than its one note cover suggests. Although if you come for the sexy female vampires and lashings of blood, you won't be disappointed. This mixes vampire flick with cop procedural but isn't merely an exercise in empty style. The opposite of *Twilight*, in fact. ★★★

Killer Joe

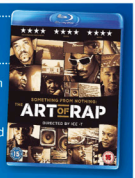
(Entertainment One, Blu-ray £24.99, DVD £19.99)

Matthew McConaughey continues his career renaissance in this dark piece of Southern noir. He plays the titular Killer Joe, a Dallas cop who does hits for money and becomes involved with a girl, Dottie, offered as a 'down payment' on a murder that drug dealer Chris Smith has ordered. Of course, it all goes tits-up, in ways that amuse, horrify and thrill. William Friedkin is back on top of his game. ★★★★

Woody Allen: A Documentary
(Soda Pictures, Blu-ray £12.99, DVD £10)

Curb Your Enthusiasm director Robert B. Weide turns his lens on Woody Allen for this excellent documentary that, while not offering much in the way of penetrating insight, is a celebration. Allen might be past his best – despite the pleasures of *Midnight in Paris* – but the interviews and excerpts here reinforce the impression that his body of work stands comparison with many of his peers. Not that the modest Allen would have any of that. ★★★★

The Art of Rap
(Kaleidoscope, Blu-ray £10.99, DVD £10)



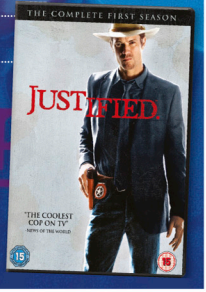
Directed and presented by Ice-T, this differs from the usual worthy hip-hop docs by focussing solely on the craft of the MC. From old school wordsmiths who paved the way to the household names like Eminem, this is a fun, likeable overview of the writing process. Best moment? Eminem performing a classic Ice-T lyric. ★★★★

Moonrise Kingdom
(Universal, DVD £11.99, Blu-ray £13.99)

Wes Anderson does the Wes Anderson things he does in this return to live-action films followng the underrated *Fantastic Mr. Fox*. As ever, set-dressing, performances and music are all lovingly crafted, and leads Bruce Willis, Bill Murray, Ed Norton and Frances McDormand elevate a somewhat slight story into another warm, likeable film. ★★★★

Classic Corner

Justified
(Sony Pictures, DVD £9.75)



Is it too soon to elevate a recent, somewhat overlooked decent show into Classic Corner? Nope. *Justified*, adapted from the works of Elmore Leonard, takes a few episodes to get going but then becomes the finest show about cops currently on any channel. It's cool, it's sharp, and the chemistry between Timothy Olyphant and Walton Goggins is electric. Season 2 is even better. ★★★★★

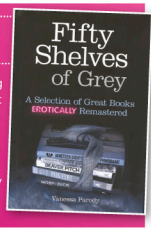
Nicki Minaj Hip Pop Moments
Isoul Harris (Omnibus Press £9.95)

Nicki Minaj is Marmite as a rapper. For everyone who adores her day-glo pop rap confections, there are those who decry it as a selling out of hip-hop's ethos. As you'd expect from a book written about 5 minutes after her career has started, this is shallow and sketchy, but has enough about her life, early career and hook-up with Lil' Wayne to feed the gossip-hungry fans. Us, we'll be watching what she does next...

80 Bikes and Counting
Rick Ingall (www.80bikes.com £8.99)

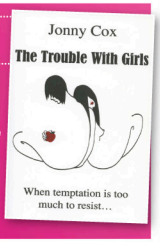
The story of a man with 'Obsessive Compulsive Bike Buying Disorder', *80 Bikes...* is a self-published homage to a life lived on two wheels. Or fixing two wheels. Or replacing two wheels. It's a love letter to motorbikes, from state of the art to old and unloved. While light-hearted and approachable, it's not for the casual reader – this is oily-handed bike worship all the way.

Fifty Shelves of Grey
Vanessa Parody (Constable £8.99)



Fifty Shades of Grey has dominated publishing this year, despite being utter shit from the start to the last full stop. This is a much better read, although belly laughs are in short supply, and it's not half as clever as it thinks it is. Then again, it's a rushed out cash-in, so don't expect *Jane Eyre*. Or *Pain Eyre*, as it's not very wittily re-imagined here.

The Trouble With Girls
Jonny Cox (New Generation £8.99)



About an army officer and by an army officer, this is actually an interesting slice of male life. The story of the globetrotting, forever wandering Billy Hanson, it's a male corrective to the more shallow shag-and-tells that litter the shelves. Cox lets readers into the troubled male mind of his hero, and while there are some areas that stray close to misogyny, it's a decent effort. ♣

Fujifilm FinePix XP150

So many modern cameras come in mum-friendly colours and sizes – pink and purple things the size of a child's palm – that it can be a bit emasculating. The FinePix XP150 is at the complete opposite end of the spectrum. It's rugged, it's blokeish, it's hard as nails. Waterproof to a depth of 10 metres (handy if you're drowning), it's also iceproof and shockproof within limits as well. Add that to full HD at 1920 x 1080 resolution and you've got a camera that overcomes its average zoom facilities and lack of features.

Pros: Tough and easy to use.
Cons: Short on features, not a bargain.

It's no longer enough for a Blu-ray (or DVD – remember them?) player to just play Blu-rays. You only stick your head above your competitors if you do a whole lot of other stuff as well. This top notch effort from Sony ticks a lot of boxes – 3D, Quad HD, good connections if you want to go the home cinema route. It also pulls the rug from under a lot of media streamers by offering online TV, YouTube, iPlayer and more besides. As an AV giant that has been resting on its laurels for a while, this is exactly what you want to see from Sony.

Pros: Lovely picture output, attractive 42mm thick console.
Cons: Not as seamless on 'apps' as some competitors.

Orange might be a household name – a network, a sponsor, those bloody cinema ads – but it's not for the quality of their phones, that's for sure. Yet this entry-level effort might change that, wisely priced at around half the price of the bleeding edge smartphones. It comes with Android Gingerbread, so apps and web browsing are a pleasure to use, and the screen feels good, especially for this much bunce.

The major minus, in these Instagram days, is the crappy camera. It pretty much sucks the big one. But hey, you get what you pay for and this is pretty damn cheap in these days of 24 month contracts. Also makes and receives calls, if you're interested in a phone doing that…

Pros: Great price point, screen, OS.
Cons: The camera is rubbish, frankly. ♣

Phone bone...

Imagine picking up the telephone to hear Eufrat talking dirty down it. How amazing would that be? Sadly, it'd be pretty tricky in reality. We'd love to hear her talk about sucking hard on our balls while she jerks our shaft, but her English just isn't up to it. Talking with her is reminiscent of going on a school exchange trip and trying to ask a local where the frickin' piscine is. But not in French. So, sadly, unless you fancy learning a new language, phone sex with Eufrat is off the agenda. In better news, actual sex with her is well on the agenda.

"I fuck fans," she reveals, through a Babel fish. "A man who admires your work will try extra hard to please you, and I love to show a fan just how well a porn star can fuck. I like to bring out all the tricks to give him the best orgasm he's ever had. I always send a fan home happy – who needs to talk?" ♣

Hollie Stevens

We are sad to report that self-styled "Queen of Clown Porn" Hollie Stevens is no longer with us, having passed away to breast and then brain cancer in January of this year. Tragically, Hollie was only 30, and married her boyfriend the month before she died, having been diagnosed the year before. Since her debut in adult movie back in 2003, Hollie had appeared in around 170 movies, but was known for her odd tastes (as well as regularly appearing in clown make-up, she wrote for a mag called *Girls & Corpses*, which you probably shouldn't subscribe to unless you want to find yourself on some kind of list. Hollie also DJ'd, kickboxed, painted and did performance art, so she was basically kinda kooky and it seems very sad that the Kansas City-born babe is no longer strutting the planet. So fire up your PC and get looking for clown porn, have a little tug at poor Hollie, for remembrance sake. We're sure she'd approve.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

ICE CREAMED

It would seem the Ben and Jerry's ice cream guys don't have a sense of humour when it comes to pornographers making movies that play on their name. They're currently suing a studio called Caballero Video, who made a series of XXX flicks based around Ben and Jerry's fattening flavours. The Ben and Cherry's brand (see what they did there?) includes films such as *Late Night Snatch* and *Boston Cream Thigh*, which play on popular Ben and Jerry's titles, and the DVD covers are mock-ups of the ice cream manufacturers' trademark style. That said, Ben and Jerry's happily have ice creams called Karamel Sutra and Schweddy Balls, so it's not like they're all sweet and innocent. Anyone for Haadon D'Arse?

Parody vs Reality

Which is better – the porn parody or the original? Let's put 'em to the test...

Story

Edward Scissorhands: Goth man with scissors for hands (like it says in the title) comes to a day-glo American town and causes mayhem.

Edward Penishands: A door-to-door dildo saleswoman meets a man with dildos for hands (like it says in the title) and he bangs her daughter with them.

Acting

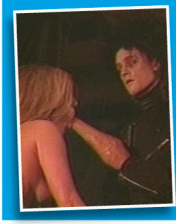
Edward Scissorhands: Johnny Depp, always at his best in a Tim Burton film (see *Sleepy Hollow*, *Willy Wonka*). Winona Ryder still loveable (before she started nicking stuff). Generally classy.

Edward Penishands: Sikki Nixx plays Edward. He seems to have stolen his name from rocker Nikki Sixx. Clever that. Deep-throater extraodinaire Jeanna Fine co-stars. She's actually a pretty decent actress.

Tits and Ass

Edward Scissorhands: This is PG-stuff. Winona's tats stay well under cover. Just as well, cos Johnny'd give her a mastectomy if he tried it on with her.

Edward Penishands: It was made in 1991, so it has that 3rd generation VHS look. Alexandra Quinn and Dominique Simone were stunners in their day. Good luck finding a copy of this curio though.



Overall

Edward Scissorhands: A fairy tale for grown ups. Magical.

Edward Penishands: A cautionary tale for grown ups. Not magical. Just weird. Seriously, guys, he's got DILDOS FOR HANDS!

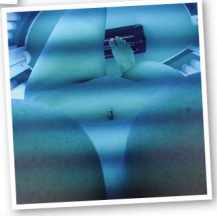
THE BIT ABOUT BABES WHO LOVE TO BLOG…

As soon as you hit 30 in porn you're a MILF, regardless of whether or not a child has come out of your foo-foo. We have every reason to believe that 33-year-old Jessica Jaymes isn't a mother (one look at the activity on her Twitter feed – from random dates with fans, to globe-trotting porn shoots, to playing with her cats as she watches action movies on her own) and yet she embodies MILF – she's busty, was born in the 70s and you really, really, really want to fuck her. Turns out Jessica isn't above fucking her fans from time to time, and regularly keeps her Twitter followers updated as to the hot bangings she's had off-set (as well as on). Her photos are coy, but that's mainly cos she used Instagram to post her daily goings-on, and they've got a habit of booting people off for uploading anything with a bare cock or vagina in it. Spoilsports. Anyway, let's take a look at some of Jessica's recent outpourings:

"Sex actually relieves headaches. A lovemaking session can release the tension that restricts blood vessels in the brain……"

"In the mood for a random erotic sexual encounter off camera….any takers;) …. #devious"



"When you wake up in the morning, Take a look in the mirror and tell yourself you are going to have a great day. You will see the difference!"

Follow Jessica at *www.twitter.com/jessicajaymes* for a ruddy good time. She's vivacious, naughty and might just choose you for one of her fan-fucks. You never know…

Top Five…

Victoria's Secret Models

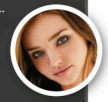
Which of these expensive undie-wearing "angels" is your favourite? Yeah, we know: all of them…

5: Adriana Lima
Brazilian-born Lima started modelling for Victoria's Secret back in 2000. She's very religious (no shagging before marriage) and has worn a multi-million dollar bra. No, she won't go out with you.

4: Rosie Huntingdon-Whiteley
She took over from Megan Fox in the shit *Transformers* movies, but we mainly like this posh Brit for her catwalk wiggle in see-thru undies (far preferable to her acting).

3: Lara Stone
Gap-toothed Dutch stunner Lara is married to David Walliams, fills out a bra nicely, and was voted Woman of the Year by GQ last year. She strutted for Victoria's Secret back in 2008.

2: Gisele Bundchen
The world's richest model, Gisele famously modelled a $15m diamond-encrusted bra for VS a decade ago. Bet you've had a wank about her. At least once.



1: Miranda Kerr
The first Aussie "angel", dimple-cheeked Miranda came back to the catwalk after having a kid with piss-poor actor Orlando Bloom. The lucky sod. We wanna give her babies!

PRICKIPEDIA

Sexy sex facts about sex!

According to a 2008 study, orgasms cure blocked noses in men (so next time you have a cold you'll need twice the tissues)

There are approx 8000 nerve endings in the clitoris (and us blokes can never find even one of the fuckers, apparently)

Pubic hair is an aphrodisiac (not only does it protect our parts, it traps in pheromone smells – that said, an overgrown bush is still an eyesore)

In the US, erotic asphyxiation (stranglewanks) reportedly kill 500-1000 people a year (don't try it at home, kids) ♣

DIRTY DESIRES

It's always the quiet, shy types who have the dirtiest desires – that's what they say. I'm sure that there's some truth to that saying as I'm a wallflower; that is I've always been rather backward in putting myself forward. Don't get me wrong – at 20, I've had a lot of sex – just not the kind of sex I really want. I've always had dirty fantasies but I've been too shy to admit any of them to my boyfriends.

The one fantasy which I couldn't get out of my head was to have a threesome, sharing a man with another girl. Even though people always assume that every guy has a threesome fantasy about their girlfriend and her prettiest friend, I just couldn't find the courage to make the suggestion. This is why it was such a relief when Zoe suggested that I might like to join-in with her and her boyfriend.

"Oh God, I'd love to!" I blurted-out, perhaps a little too enthusiastically given that we were sharing a bottle of wine outside a café.

"You don't have to agree straight away, you might want to think about it for a bit first," Zoe said, rather startled by my eagerness.

"I've been thinking about it already – a lot." I giggled as the butterflies filling my belly transformed into fluttering excitement in my pussy. "I wanted to ask you to join me and Tim but then you met Luke. I thought I'd missed the opportunity – so 'yes' – let's actually do it before something happens to stop us."

I was very excited and extremely horny by the time we got to my house. But it wasn't the up-coming threesome which was getting me so hot. I was thinking about inviting Zoe in and having lesbian sex with her. "So… would you like to come in?"

"For coffee?"

"No," I said, my body starting to shake with nervous excitement as I stepped forward and kissed my friend.

"Oh!" Zoe said, obviously pleased. "In that case, I'd love to come in." We dropped the shopping as soon as the front door closed. Overcoming my nerves, I kissed Zoe again, gently moving my lips from her lips over her cheek and onto her throat. My fingers worked the buttons of her blouse and I kissed further and further down until I reached the lacy cup of her bra. She looked at me with her beautiful blue eyes as she slipped her blouse off and undid her bra. Her breasts were full and looked soft. But I couldn't move, frozen by my nerves again. Zoe lifted my hands in hers and squeezed my hands around her tits.

She'd set me in motion again and moaned with pleasure as I played with her boobs and took her nipple into my mouth. As I sucked and licked, I felt my skirt being pulled up. My legs came apart, allowing Zoe's fingers to explore the damp crotch of my knickers. With deft skill, she eased the material aside and slipped her fingers along my exposed pussy. I couldn't believe my friend was touching me like that. I'd wanted her so badly and now she was satisfying my lust. Her fingers moved over my clitoris which sent an intense shiver up my spine. I clung to her, sucking her nipple, squeezing her breast as she circled her fingers round and round my clitoris.

"Oh God, you're going to make me cum!" I gasped. I wanted her to know how she was making me feel. How every inch of my skin was tingling from the pleasure she was giving me. I was reaching the edge of my climax.

"I've wanted to do this to you for so long," she whispered, running her hand through my hair, pulling me onto her tit. My body exploded with the most powerful of orgasms. I cried-out as my legs gave way and I sagged to the floor. Zoe followed me down, her fingers never failing to tease the pleasure from me. Her lips

"I just lowered my mouth down and licked her and sucked her"

found mine as she settled on top of me. It felt glorious as she kissed me, her tongue inside my mouth as her fingers drove inside my spasming cunt. It was perfect – I felt like I never wanted to move from this crumpled lesbian heap. But even as my pussy was rippling with its final contractions, my mind was filling with dirty desires once again.

Afraid that I might break the lesbian spell by moving to somewhere more comfortable, I simply rolled Zoe over and worked my way down her body. I paused at her nipples, still swollen and wet from when I'd been sucking on them. But I headed further down this time. Zoe's skirt was already bunched around her waist, revealing a pair of pretty boy-shorts. There was no way of sliding them to once side, so I dragged them down her legs. And there it was – Zoe's pussy glistening with desire. I didn't tease, I just lowered my mouth down and licked her and sucked her. Zoe's body twisted with pleasure; her back arched off the floor, her bum slid from side to side and her legs scissored around my back.

I wanted to make her feel as good as she had made me feel and worked one and then two fingers inside her pussy. The inside was so smooth and silky. I could feel her body responding to my touches. I knew my actions were going to make my friend climax. And then she came; in a flood of juices and contractions, Zoe lost control. I was thrilled as she screeched my name – I'd made a woman cum. I concentrated on maximizing the intensity of Zoe's orgasm, riding her pussy until she became relaxed and calm.

We lay on the floor of my hall, so uncomfortable – but not wanting to move; not wanting it to end as we held hands.

"I'm not sure I want to share you with my boyfriend," Zoe said eventually, making my heart swell.

"Then don't," I said, squeezing her hand. "Just keep me for yourself."

"What about your threesome fantasy?"

"That one can wait – I've got lots of naughty lesbian ones I'd like to try-out first." It's great to be able to share my dirty desires at last.

CUM DINE WITH ME

I had always realised that my girlfriend Shelley had voyeuristic tendencies, judging partly by the fact that she was incredibly turned on by porn movies, and how she liked

to watch us in the mirrored wardrobe each time we had sex. She had also made it clear that she most enjoyed it when, whilst cumming herself, she could watch me wank all over her. Whilst this is far from unusual, her obsession with seeing me shoot my wad has led to ever more adventurous scenarios in which she can do this!

A few weeks ago, for example, she called me into the bathroom of our friends' house, claiming she was having a problem with her contact lens. However, whilst our dinner waited on the table, I arrived to find her naked apart from her G-string, rubbing her tits and crotch seductively. After a few nervous protestations about the situation, the image was too much for me, and I ended up strumming one off all over her tits and neck! Even though I'm sure they didn't notice, all I could see as we ate was my insatiable girlfriend rubbing my jizz into her skin!

The most outrageous was the most recent

"Her lips clamped tight around his shaft as he shuddered down her throat"

time when I had my friend round watching the football. Shelley knew my mate Tom well, as they had briefly dated before we got together. During half time, Shelley whispered something to me about joining her in the bedroom. Knowing what she wanted, I told Tom I'd be back down soon, and for him to help himself to anything in the fridge. As I stepped through the door of the bedroom I received a slight shock as my eyes were cradled from behind with Shelley's palms.

"I'm going to watch you, but you can't see me", she purred before giggling naughtily. The next thing I knew was a blindfold being tied at the back of my head, and then my trousers being unbuttoned slowly. Although I couldn't see, I knew Shelley was in front of me, and as she pulled my jeans down to my ankles, I could feel her naked body against my thighs and stiff cock. The touch of her tongue underneath my balls made my dick throb, before she then grasped my shaft and began to rub my bell-end over her nipples. "This is where I want your spunk," she demanded and tossed me off furiously, slapping the tip of my penis against her soft chest. "Your turn," she continued, "I've got three fingers in my wet cunt at the thought of you spraying."

I increased the rhythm of my stroke and was lost in the thought of what I was going to see when I took the blindfold away, and certainly didn't notice the presence of Tom in the room, who had come to tell me the second half was on! When I could feel myself climaxing, I yanked my blindfold down to see Shelly lying back on the floor just about to take Tom in her mouth, and shot my wad all over her tits and tummy. With one excited eye on the cum dripping from my cock, Shelley sucked Tom off for all she was worth, bringing him to orgasm in what seemed like a matter of seconds! Her lips clamped tight around his shaft as he shuddered down her throat, whilst I dutifully licked her pussy until she came in my mouth. As I pretended to look a little aggrieved, Shelley simply offered, "Well, It's only your load I want to see darling!"

The football didn't seem important after that, and to be honest I more than enjoyed seeing Shelley being filthy with another man. In fact, I may begin to make some demands of my own from now on.

James, Worcester

KATE EXPECTATIONS

When I first met my girlfriend, Kate, she was a swinger, but knowing that I wasn't happy with her shagging other blokes, she gave it up in order to prove how much she loved me. Nonetheless, the fact that

she used to let her blokes fuck other women, did make me wonder sometimes whether I'd be able to live with it. I didn't have to consider this for long, however, as she soon sorted out an arrangement that keeps us both happy!

During a drunken night at ours with her best friend Janet, she revealed to me that the biggest turn on for her was actually seeing her men being filthy with other women, especially if she could get hold of the other women as well! Janet seemed very comfortable with the conversation, and I realised that they had discussed this before.

Having no experience of this, I sat there and waited for something to happen. Within seconds, Janet had joined us on the sofa and leant into me, kissing my neck and placing her hand between my thighs. Once my dick was in view of the two women, Janet began to wank me slowly, all the while looking towards Kate. I turned to see Kate touching herself at the sight before her, and I gasped with excitement when she then said, "Put it in your mouth, Janet."

As my shaft was being licked by Janet, Kate rose up onto her knees, took my hand and pushed my fingers into her twat. "You get this when you've fucked hers," she commanded.

Realising who was in control of this, I did as she asked and was soon on my knees behind Janet, fucking as hard as I could. I was in heaven! Thrusting in and out of another woman whilst my girlfriend writhed around frigging herself and urging me to,"Ride that pussy!" was incredible. Sensing that I wasn't going to last much longer, Kate drew herself onto all fours next to Janet, and began kissing her full on the mouth. She paused for one second, only to say, "In me, now!"

Replacing my dick in Janet's cunt with my fingers, I sank myself deep into my girlfriend making her orgasm almost immediately. As her cunt muscles tightened around my shaft I shot my spunk deep inside her, as she screamed her pleasure.

The rest of the night followed a similar pattern, with Janet getting her turn to call the shots and get fucked by both of us. So like I said, Kate's happy, I'm certainly happy and I don't reckon Janet's too pissed off either!

Vastly becoming one of the most requested performers to work with amongst her co-stars, the porn world shines much brighter due to Chanel Preston's direct affiliation. Forever glowing with an effervescent personality that is truly infectious, Chanel has invited the adult industry into her salacious world of bi-sexual romps, electrical shocks and hardcore sex, where she's agreed to spill all of her juicy secrets. Exploding in such hits as *Secretary's Day 5* (Smash Pictures) and *Hooked* (Wicked Pictures), this beauty from Fairbanks, Alaska invites you to sit back, relax and let her caramel coloured curves quench your thirst like an imported glass of wine. Bottoms up!

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

You modern kids will probably know Julianne Moore best for her terrible performance and Boston accent in the otherwise excellent *30 Rock*, but don't let that put you off her – she's a tremendous actor, and as fit a ginge as you'll see in front of the camera. She got things off to a great start in Robert Altman's *Short Cuts* (1993), playing an artist who walks around with her Tango pubes on display. She hasn't looked back, parading her 'strawberry blonde' body in the likes of *Body of Evidence*, *The Big Lebowski* and *Boogie Nights*. More recently, she's been in action in *The Kids are All Right* (2010) and *Chloe* (2009), providing ample evidence that she has nipples like a Hobbit's cock. ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ANAL WORKOUT

I have a confession – and that is that I like playing with 19 year-old girls' arses. One advantage that I've got is that I am a 19-year-old girl, so I've always got at least one arse that I can play with! Obviously I love how it feels when I use my fingers or toys back there but I found myself wanting to share that feeling with my friends. Well, one friend in particular, Sophie.

She's not my best friend but she does a lot of aerobics and yoga which means she's got the best bum I've ever seen – the only problem was trying to get her to let me play with it, since she's both prudish and straight.

I didn't want to scare her off, so resisted the temptation to simply ask her – although I nearly did when she came to a party in a soft salmon-pink dress which clung to her arse in a way that made me jealous. I danced with her that night, my hands on her hips as her wonderful little bum wriggled against my groin. I had urges to just pull-up her dress and grope her arse, or even better to crouch down behind her to kiss and lick it. I came hard that night, with my biggest vibrator buzzing deep inside my bum, thinking about the way Sophie's body had felt in my hands, the soft firmness of her buttocks rubbing against me.

From that moment, I was utterly obsessed with her. I craved to be with her – and when I was with her, I couldn't stop looking at her bum and touched it at every opportunity. I patted it, stroked it, rested my hand on it – which was all well and good, but just made me want even more. Things came to a head when she missed a night out and I sent a drunken text, saying how much I missed her – and her sexy bum.

"So, you think I've got a 'sexy' bum?" she teased when I saw her the next day. It was a kind of now-or-never moment.

"Yes – I think it's perfect. In fact, I've got a little confession."

"Go on," she said.

"It's about your bum," I said, whispering into my coffee.

"My bum? Go on."

"And what I want to do to it." My heart was pounding but I'd already gone past the point of no return. Sophie didn't say anything; she just waited for me to continue.

"I keep imaging myself kneeling behind you, pulling down your knickers… and licking your arsehole." There was a painful silence as Sophie took a sip of coffee.

"Is that all?"

"What do you mean?"

"Is that everything you want to do to my 'sexy' bum? Just lick it?"

"Well – no."

"That's good," she said, "because I know how much you like it." Sophie gave me a big grin from behind her cup. "Or did you think I hadn't noticed?"

"I…" But I didn't know what to say, and simply flushed with embarrassment.

"I'll do you a deal – I'll let you do anything you want to my bum, if you'll let me do the same to yours." I agreed without hesitation – I couldn't think of a more perfect arrangement.

"Tell you what; I could do with another work-out – why don't you come back with me now?" I did and before I knew what was happening, I was with Sophie in her bedroom. She gave me a little smile as she turned around, offering me her bum. The loose tracksuit bottoms did little to hide the svelte curves within. I got into position, took two handfuls of the soft, velvety material and pulled them down.

My face was level with Sophie's little bum. It was breathtakingly gorgeous, clad in pretty pink and black shorties, with a bright shaft of light shining through the gap at the top of her skinny thighs. Taking a deep breath, I

> **"The muscles of her pussy flexed around my fingers as I licked her arsehole"**

pulled her underwear down. I was in a perfect position to admire – and the view was better than I had fantasised. Her buttocks were svelte, separate globes of flesh. I loved that they didn't meet, like a rolling hillside with a deep gully in between. There wasn't a hair in sight, and the neat labia of Sophie's pussy drew my eyes up to the darker skin surrounding the inviting fan of crinkles that was her arsehole.

Perhaps I waited too long, for Sophie pushed her bum back at me, spreading her arse even wider, revealing the full glory of her bumhole. I took the invitation and pressed my mouth into her anal cleft and licked. The sensation thrilled me. It was such a taboo thing to do to my friend. I tasted her, the soft fragrance of rose body wash struggling to hide the more meaty flavour of a girl's bum.

I'd licked my own fingers – I knew what a 19-year-old girl's bum tasted like… and I loved it. My enthusiastic probing brought a gasp from my friend – perhaps she'd been expecting something softer – a slow, sensuous exploration of her bottom rather than me digging my tongue into her anus.

"Oh fuck," she whimpered, and I followed her as she dropped to hands-and-knees. If there was any doubt as to whether Sophie was enjoying my anal worship, the arrival of her fingers on her clit put paid to them. The fact that she was masturbating turned me on more than I thought possible. I reached my arm between her legs and brought it around her hips, gripping her, pulling my mouth even deeper into her ass. And then I slipped two fingers into her pussy, twisted them around and fucked her with them.

"Oh my God!" she shrieked, before repeating the phrase quietly, disbelievingly, over and over. "I'm going to… Uhnnnnn!" I felt the sudden spasms of her orgasm. It was unbelievably erotic to share Sophie's pleasure; to feel the muscles of her pussy flexing around my fingers as I took a last lingering lick of her arsehole.

I felt really pleased at having brought my friend off so powerfully. "That was… amazing. I'm not sure that I'll be able to… do it so well," Sophie confessed, sounding anxious. I kissed her, knowing that in doing so I was sharing the taste of her bum from my lips.

"Don't worry – I'm sure I'll enjoy it!" I ended up on Sophie's bed, totally naked with my legs spread, holding my pussy open. She was slower, teasing me by kissing her way

> **"It was the dirtiest thing I've seen as I looked into her eyes as she tongued my arse"**

along my inner thigh for what seemed like an eternity before reaching my crotch. But the wait was worth it as her mouth finally found my desperate pussy. Sophie looked up as she slid down further, wanting to catch my expression as her tongue slipped over my anus. It was the dirtiest thing I've seen as I looked into her eyes as she tongued my arsehole.

I tried to rub my clit – but Sophie wouldn't let me. Instead, she moved her mouth back over my pussy and licked and sucked it. As she licked me, I felt pressure on my ass and was delighted when she managed to push a finger, and then two inside. It was so sexy that I melted into a delicious state of excited relaxation that slowly built into a tremendous climax. My hips bucked fully off the bed as my muscles crushed every ounce of pleasure that had been building into wave after wave of ecstasy.

Just when I thought it couldn't get any dirtier, Sophie pushed her fingers into my mouth and watched as I sucked them clean.

"Well, that makes a change from the gym!" Sophie giggled.

"Perhaps I could be part of your workout?" I joked. Sophie stopped giggling and looked thoughtful for a moment.

"You know what, I'd love that. Can you manage three times a week?" It turns out that I can manage more often than that!

SKI FUNDAY!

You know when you do something at the time, and it's only afterwards that you realise how naughty you've been? Well, on returning from my recent skiing holiday, I feel exactly like that!

As part of a work team building exercise we went for five days skiing in France. As you can imagine, most of the socialising was done in the evening, with the aid of alcohol! Richard, who works in the marketing department with me, had been taking it as his opportunity to chat me up as I was away from Gavin, my boyfriend of nine months. I was more than receptive, and we had been talking suggestively and dirtily since we got there. On the second night things went further and I found myself back at his chalet, snogging him furiously on his bed.

I wasn't overly drunk, and as he clawed my bra away from my tits and began to suck on

"He took his shaft from my bum and sprayed his hot cum over my back"

my hard nipples, I felt a slight pang of guilt. Nonetheless, as I was also incredibly turned on, I couldn't say no as he slowly began to strip me naked, kissing and biting each part of my body that was revealed. I reciprocated, feeling his rigid cock spring from his boxer shorts. He had an incredibly toned torso, and as he ran his hands over my arse, and kissed my neck, I imagined his strong arms pinning me down, fucking my pussy with his fat dick.

I took the end of his prick between my thumb and forefinger, squeezing gently, before wrapping my fingers around the shaft and working it up and down. I could see how relaxed he was, as he lay on his back allowing me to wank his erect pole. He gave me a look as if to say he was ready for more; and I duly sank my mouth over his cock. The excitement in his eyes was obvious as I glanced wild looks in his direction, extending my tongue along the side of his cock. He sat up, reaching round for my hips, so he could feel my cunt in his face. As I lowered my pussy onto his mouth with a face full of dick myself, the thought of Gavin flashed uncontrollably into my mind.

As Richard began to insert his finger, I pulled forward, muttering, "Sorry… but I'll really feel like I'm cheating if you get inside my pussy." Without responding, he continued to lap at my twat, but ran his hand over my arse cheek, until his index finger was against my bumhole. He then pushed me forward and, sitting up, began to lick the crack of my arse. Now on all fours, he slipped from underneath me and kneeled behind me and spread my bum wide open, before saying, "What about if I get in here; that wouldn't be so bad would it?"

I don't know what came over me, but I turned round and nodded to him. I instantly felt the head of his penis press against my hole, before his girth slowly forced it's way inside me. It wasn't the first time I'd been fucked up my bum, but the first time has been a bit of a disaster – this time it was anything but.

He held my cheeks with both hands and pumped away as I rubbed my own clit. I'd thought his dick in my arse might hurt me, but this was pure pleasure, I felt as if my whole body was full of throbbing cock. As I felt my orgasm taking hold, he drove his dick deep inside me. When my own cum was beginning to subside, he took his shaft from my bum, and sprayed over my back.

It wasn't quite the last time we did it like that that week, as the drink was flowing every night. In fact during the week, it barely felt like I was doing anything wrong! However, now I'm back I'm not sure Gavin would agree!

ZAFIRA
Decorate her interior...

Lovely chair, Zafira, very stylish. Big on design classics, are we? Is there an Eames tucked away somewhere? A Le Corbusier?

"What?" asks the baffled beauty. "This isn't my place, it's a photographer friend of mine's place. I've got a DFS sofa at home, so I'm hardly going to be the expert. All I know about furniture is that I've got a super king sized bed that's big enough for three."

And does it often 'sleep' three?

"Every night. I'm in an open relationship with a man and a woman. The possibilities are endless! In fact, if we squeeze, we can probably fit a fourth in. Now that does open up some new things!" ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

FOWL PLAY!

Who would have thought that criminality was possible in Zimbabwe? Go figure, right? Heavy-handed sarcasm aside, our interest was piqued by a domestic dispute relating to the serving of chicken. Nomusa Sibanda, 24, was serving chicken for dinner and reserved the drumstick and breast for herself – the prime parts of the chicken. Her husband, Jabulani Ncube, 40 was given wings and the gizzard. Apparently it's tradition in the area for the man of the house to be given the finest parts of the chicken. He assaulted her, and she fled to her grandmothers. A tribal court fined Nomusa a chicken for failing to observe the cultural norms, and her grandmother also had to cough up a chicken for failing to teach her granddaughter 'how to treat her husband'. In Zimbabwe! Imagine!

BAR PHWOARS!

When the All Bar One chain first appeared on our high streets, people chimed up that, at last, there was a light, airy, safe space for women to have a drink. No more do they need to brave the insalubrious old men's pubs of which Britain is rightly proud. In Tokyo, they've taken a women's only space to new extremes with the launch of Love Joule in the Shibuya district. Where you'd normally see optics and bags of crisps, Love Joule is lined with sex toys and owner Megumi Nakagawa says, "Once they take a seat, customers are able to experience a pleasant place in which they can openly discuss masturbation." Which is pretty much what men do in Wetherspoons.

THERE AIN'T NO SANITIZER CLAUSE!

It's not just in hospitals that they get through lakes of hand sanitizer. Hard-up boozers are finding the anti-bacterial liquid a boon as well. Jennifer Amanda Wilcox, 36, of Connecticut, was pulled over by police, breathalysed and charged with driving under the influence. She denied having had a drop to drink – don't they all? – but after failing the test she revealed that she'd put away half a bottle of alcohol-based hand sanitizer – the equivalent of 32 shots of vodka. She told a local TV channel that her main reason for necking the sanitizers was because she, 'saw it there'. What other reason do you need?

THAT HURTS!

Stories you thought you'd never see No. 15,481. A dominatrix fined for hurting her client. In Germany (which, lest we forget, leads the world in scat films, the filthy bastards) a sex-worker has been charged by her client – a 49-year-old undertaker – with hurting and robbing him. He claimed he'd been detained for five hours, which sounds par for the course for sub-dom play. Brilliantly, the court decided it couldn't pass judgement as both the prossie and the client had done too much cocaine. The dominatrix paid a nominal fine to a charity, but added that she didn't keep the gravedigger against his will, and that he'd actually requested if they could be joined by a transsexual. Again: Germany. ♣
